Failure to deliver written objection within the period constitutes acceptance of condition.

6.4 Buyers and Seller acknowledge that neither broker nor either licensee named in Section 10 has verified the square footage, lot lines, permit status, school assignments or condition of the Property, and that Buyers are advised to obtain independent inspections.

7. FHA FINANCING PROVISIONS

7.1 FHA Amendatory Clause — sample language. The Buyers shall not be obligated to complete the purchase of the Property, or to forfeit the earnest money deposit, unless the Buyers have been given a written statement by the Federal Housing Commissioner, the Department of Veterans Affairs, or a Direct Endorsement lender setting forth the appraised value of the Property of not less than \$415,000.00. The Buyers shall have the privilege and option of proceeding with the transaction without regard to the amount of the appraised valuation. The appraised valuation is arrived at solely to determine the maximum mortgage the Department of Housing and Urban Development will insure; HUD does not warrant the value or the condition of the Property.

7.2 Real Estate Certification — sample language. The Buyers, Seller and the selling real estate licensee certify that the terms and conditions of the sales contract are true to the best of their knowledge and belief, and that any other agreement entered into by any of these parties in connection with this transaction is part of, or attached to, the sales agreement.

7.3 Appraisal contingency. If the FHA appraised value is less than the purchase price, Buyers may, within four (4) days of receipt of the appraisal, (a) proceed at the contract price with additional cash, (b) request a price reduction to appraised value, or (c) cancel and receive a refund of the EMD.

7.4 FHA-required repairs, if any, identified by the appraiser shall be completed at Seller's expense prior to close of escrow, not to exceed \$2,500.00 without Seller's further written consent.
